H.E.L.P. in TOKYO 2023

Join the face-to face course held in September, 2023 !

Course overview/Objectives:

Health Emergencies in Large Populations (H.E.L.P.) course was created in 1986 to professionalize the delivery of the humanitarian assistance during emergencies, and to promote professional ethics and humanitarian principles.

More than 200 courses have been held in 8 countries around the globe including Switzerland, North America, South Africa and Cuba in partnership with different academic institutions, the WHO and National Red Cross and Red Crescent Societies. Over 5,000 health professionals and humanitarian aid workers from more than 20 various organizations; academic institution, ministries and military services have attended the course.

The course in Japan will be jointly organized by International Committee of the Red Cross (ICRC), Japanese

Dates: September 4 - 15, 2023

Venue: Japanese Red Cross College of Nursing (Tokyo)

Format: Face-to-face (some classes from overseas may be held Online)

Participants:

Health professionals, such as doctors, nurses or nutritionists; public health officers and epidemiologists; water and environmental engineers; legal or policy advisers; and people with strategic and managerial responsibilities.

As held in Asia, the course in Tokyo will give priority to Asian candidates, particularly those working in countries affected by conflicts or natural disasters.

Working Language: English

Program contains (as of Apr.14,2023):

Program Cycle Management, Data Analysis, Humanitarian Ethics, Nutrition and Economic Security, Public Health Engineering, Communicable Disease, Epidemiology, Health Services, Mental Health and Support, International Humanitarian Law, Protection for People Affected by Armed Conflict and Other Violence, Coordination of Humanitarian Response

During the course, the participants are encouraged to share their own field experiences.

"Certificate of Attendance" is awarded upon completion of course requirements.

Course Fee:

JPY 100,000, which must be paid in advance in Japanese Yen. (Transportation and accommodation fees are not included. Participants are requested to arrange their own transportation and hotels. In case you require visa, we will help your visa obtaining process.)
